

OWASP DAY 2012

How Do I Get Into Security, I'm a Webdev!

O hai!

WELCOME

Who are you?

AND WHY SHOULD I CARE?

Why You Shouldn't Listen To Me

- **No cool letters after my name**
 - **No awesome hacker beard**
 - **Had an MCSE & CCNA**
- **I just write things on the internet**
- **And professionally break things**

A brief history of time.

WELL, ABOUT 10 MONTHS.

KIWICON V

NEW ZEALAND'S HACKER CON
SHELLCODE, TREASON & PLOT

5-6 NOV 2011

WELLINGTON, NZ

*“If we can get 10 people even remotely interested,
we f**king win.*

- Laura Bell

You talk the talk,

BUT CAN YOU POST THE ARTICLES?

What We Wanted To Do

- Website
- Socials
- Mentoring
- Teaching
- Placements & Summer Project

What We've Done

- 3 Socials
- Website with 6000 unique visits in 7 months
- 40 articles from 6 volunteers
- Intro talk for Bruce Schneier
- 18 mentorship pairs
- Nationwide teaching tour

I already come to OWASP,

THIS MEANS NOTHING TO ME.

(ooooooooohhhh vienna)

But Maybe....

**You are interested in more than just
web security?**

**You want to pass on your awesome
knowledge?**

**You know that annoying webdev who
WON'T come to OWASP?**

~~**You want to drink beers with
awesome bearded infosec guys!?**~~

**You want to get involved in the
infosec community?**

So What Can We Do For You?

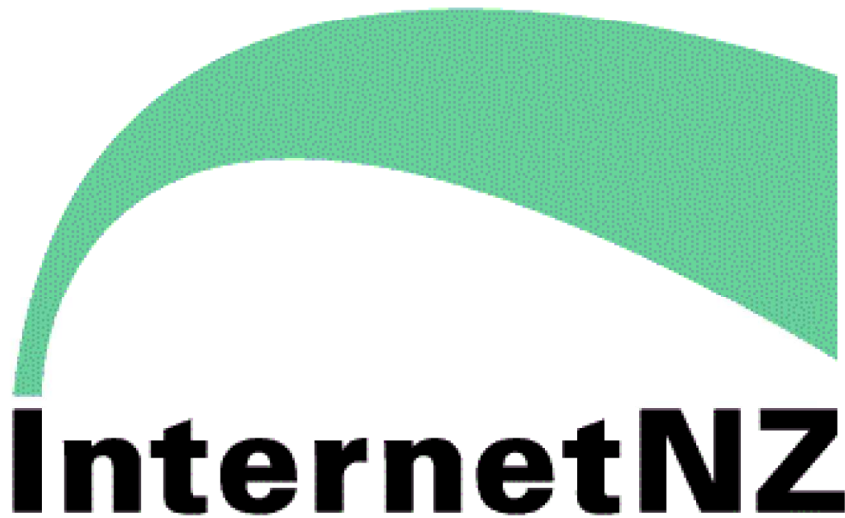

- **Articles and talks from some of the best infosec professionals in NZ**
- **Professional mentoring**
- **Introductions**
- **Industry Contacts**
- **Easy CPD!**

This sounds awesome,

COUNT ME IN!
