Ever wonder why people join OWASP?

Here are a couple of reasons why...

- ✓ ***To underscore your awareness of web application software security***
 - ✓ ***To expand your personal network of industry contacts***
 - ✓ ***Able to have one (1) individual vote in elections and on issues that shape the direction of the professional association***
 - ✓ ***To continue to increase your knowledge and expand your skills when you attend an OWASP conference(s) or training at a discounted rates***
 - ✓ ***You get a @OWASP.ORG email address***
- Additional membership benefits*** <https://www.owasp.org/index.php/Membership>
