

## OWASP EEE Eastern European Event

Bucharest Event Sponsorship options  
9th of October 2015

The **OWASP EEE**'s (Eastern European Event) objective is to raise awareness about application security and to bring high-quality security content provided by renowned professionals in the European region. Everyone is free to participate in OWASP and all our materials are available under a free and open software license.

This initiative will enable participants to get the most out of OWASP events and meetings in the region. During approximately a week, OWASP chapters will organize events and meetings that will be **broadcasted live** so that every day people could watch presentations from another chapter.

### Participating Chapters:

- OWASP Austria
- OWASP Bucharest
- OWASP Cluj
- OWASP Hungary
- OWASP Lithuania
- OWASP Poland
- OWASP Russia

### Who should attend?

- Application Developers
- Application Testers and Quality Assurance
- Application Project Management and Staff
- Chief Information Officers, Chief Information Security Officers, Chief Technology Officers, Deputies, Associates and Staff
- Chief Financial Officers, Auditors, and Staff Responsible for IT Security Oversight and Compliance
- Security Managers and Staff
- Executives, Managers, and Staff Responsible for IT Security Governance
- IT Professionals Interesting in Improving IT Security
- Anyone interested in learning about or promoting Web Application Security

## Why sponsor?

- Join leaders, security consultants, security architects and developers from 7 countries gathered to share cutting-edge ideas, initiatives and trends in technology.
- OWASP events attract an audience interested in "What's next?" - As a sponsor, you will be promoted as an answer to this question.
- Increase awareness and recognition in the Eastern European Security IT environment.
- Support and involvement in the world of information security enthusiasts. Estimated number of participants is more than 1000. Partners will have visibility in all participating chapters.
