Dear Mike

**Re: AppSec Day
Friday 1 November 2019**

We are delighted to confirm the above mentioned event in November 2019 at the Melbourne Convention and Exhibition Centre (MCEC).

Please find enclosed the following Licence documents for your event which are to be completed by **Thursday 28 February 2019** to secure your booking:

- Licence Execution (refer to page five of The Licence Execution document for a link to the full Licence Agreement Terms and Conditions.
- Space Hire Charge and Plan for your signing, which outlines event space booked and any important notes.
- Deposit invoice (a Security Deposit of **\$1,686.00** is required). As per Clause 2.2 in the Licence Agreement, we will issue invoices for the subsequent payment instalments. If you would prefer to pay by credit card a Credit Card Authorisation Form is available upon request, please feel free to call/email if this documentation is required.)

Space and dates are on hold pending completion of Licensing arrangements. If we have not received the executed Licence by **Thursday 28 February 2019** the MCEC reserves the right to cancel the tentative reservation and, without further notice, re-allocate the space and dates accordingly. However, this will not occur without advising you first.

Should you not be able to meet this deadline, please advise us at your earliest convenience and we may be able to make alternative arrangements to suit your particular circumstances.

Upon receipt of the required documentation and payment a Melbourne Convention and Exhibition Trust representative will sign a copy of the Licence Execution and return it to you.

A dedicated Event and Technical Planner will then be assigned to liaise with you to ensure the smooth running of your event.

Please be aware that the MCEC may conduct a commercial credit check by obtaining information about your business from a credit bureau or a business information service such as Dun & Bradstreet. The MCEC reserves all of its rights, including the right to withdraw from negotiations and to terminate the Licence, in the event that a credit check is conducted and the results are not, in the MCEC's opinion, satisfactory.

In the unlikely event the MCEC is unable to confirm this booking the Security Deposit will be refunded.

For your information, a comprehensive guide to organising, managing and working on an event at the MCEC can be found in our Operations Manual.

FOOD AND WINE

The MCEC team believe that food and wine are fundamental to the success of any event large or small. We understand all the components of delivering food and refreshments to our guests, providing choices and tailoring each event without compromising on quality and value.

- The MCEC prides itself on delivering the best quality produce provided exclusively by local and regional producers and farmers.
- The MCEC supports Victorian wine growers with all wine sourced from a variety of boutique and small vineyards across Victoria's world-renowned wine region.
- Function menus are individually designed to specific requirements and matched with wines to complement each selection.
- Our executive chef is delighted to host individual menu tastings for clients.
- We are flexible enough to take an adventurous approach to catering if desired, providing alternative solutions such as champagne and oyster bars.

Click on the following link to view our Food and Wine Microsite including full details of our Menu Planning Guide.

Your assigned Event Planner will be happy to discuss your catering requirements with you in more detail closer to the event and assist with menu selection.

TECHNICAL SERVICES

The MCEC will provide a range of sophisticated audio-visual and technical convention facilities that not only meet, but surpass, world's best practice.

The latest audio visual, communications and information technology is pre-installed in all meeting rooms. The various technologies have been researched and sourced to provide the best and most up-to-date equipment that will meet client needs now and well into the future. With these new services, the MCEC can provide clients with cutting edge technology in data, voice and audio services.

The MCEC is the sole supplier of AV services to all events and, therefore, reserves the right to agree to arrangements other than stipulated at least three (3) months prior to each event.

Our Technology Department would be pleased to submit a quotation based on your event's specific requirements. They can be contacted directly on (03) 9235 8180 or email on technology@mcec.com.au

Please note that an Audio Visual Technician may be required to assist you with your technical requirements during your event. This service is provided at the published hourly rate. The type of equipment, duration and room/s hired will determine the final costs.

All companies or individuals intending to perform work on or within the premises of the MCEC must provide valid and binding Occupational Health and Safety accreditation to the venue manager not less than three (3) months prior to each event.

When holding an event at the MCEC you may require a licence to cover the usage of copyright music by all parties (e.g. exhibitors, sponsors, etc). Please contact the Australian Performing Rights Association (APRA), tel. no.: (03) 9426 5200, to have your licensing requirements assessed.

SECURITY

To adhere with the guidelines of our AS/NZS 4801:2001 Occupational Health and Safety Management Systems certification for each event held at the MCEC a detailed risk assessment report needs to be provided at least three (3) months prior to the event. This report must include the concept of the event, details and names of all VIP participants, possible level of risk, aspects of the event, what control measures will be in place and a copy of the security schedule.

Qualified Security personnel will be required for all Functions/Events within the MCEC. Additionally, Ushers will be required for all ticketed events being held in the Plenary. Completion of a risk assessment and details of attendee numbers, will determine the number of Security Personnel required.

A Victorian Security Guard Licence and Individual Crowd Control numbers are required by the company employed for each security guard working at the MCEC. These details can be discussed with your Event Planner.

CANCELLATION

Please refer to Clause 2.5 in the Licence Agreement.
