

Be part of the only application security event in Bucharest!

OWASP AppSec Bucharest 2018- the only application security event in Bucharest!

Join us and raise awareness about application security and bring high-quality security content provided by renowned professionals.

The application security conference will take place in October 2018 in **Bucharest, Romania**. The event will have a main presentation track, a CTF competition and several workshops or trainings.

Everyone is free to participate in OWASP and all our materials are available under a free and open software license.

Who should attend?

- Application Developers
- Application Testers and Quality Assurance
- Application Project Management and Staff
- Chief Information Officers, Chief Information Security Officers, Chief Technology Officers, Deputies, Associates and Staff
- Chief Financial Officers, Auditors, and Staff Responsible for IT Security Oversight and Compliance
- Security Managers and Staff
- Executives, Managers, and Staff Responsible for IT Security Governance
- IT Professionals Interesting in Improving IT Security
- Anyone interested in learning about or promoting Web Application Security

Why sponsor?

- Join leaders, security consultants, security architects and developers gathered to share cutting-edge ideas, initiatives and trends in technology.
- OWASP events attract an audience interested in "What's next?" - As a sponsor, you will be promoted as an answer to this question.
- Increase awareness and recognition in the Eastern European Security IT environment.
- Support and involvement in the world of information security enthusiasts. Estimated number of participants is more than 200.
