Dear Jeff,

Thank you for joining OWASP!

Your twelve month membership will assist OWASP deliver key web application security projects, fund local chapters and community building, and fund and improve the OWASP infrastructure.

Your local chapter

You can find your nearest local chapter at our web site.

http://www.owasp.org/index.php/Category:OWASP_Chapter

If there is no local chapter in your area, please consider starting one, particularly if you know of a few others who would also be interested.

Member benefits

As an individual member, you are eligible for the following benefits:

- Reduced conference registration fees for major OWASP events
- Eligibility to use the OWASP membership mark and logos in your materials
- Special Offers from our sponsors as advertised on our website from time to time
- Good standing at your local chapter
- An active voice in the development of our materials
- Full access to our members-only infrastructure
- Opt-in notifications of new materials
- Opt-in inclusion on our members' list
- In the 2007 fiscal year, we plan to move to member-elected Foundation Board and Core teams. Only members will be allowed to stand and vote for these positions.

OWASP Foundation

Membership Kit

Your membership kit should have arrived with this letter. It consists of:

- An OWASP membership certificate valid for twelve months
- A USB key with all of the OWASP materials, including an offline copy of our Wiki
- On the USB key you will find an official copy of the OWASP membership marks and logos. You are eligible to use these in your materials, such as business cards, documents, and letterheads for the next twelve months
- An OWASP commercial license granting you as an individual dual licensing to all our materials for twelve months

If you are missing any of these items, please contact me and I will send them out to you.

Electronic resources

As a fully paid up member, you are more than welcome to use and contribute to all of our electronic resources:

- Wiki - contains almost all of our materials, and links to everything else
- Blogs
- Forum
- Mail lists

We have enrolled you in the OWASP Chapters mail list as a starting point. However, you should consider joining your local chapter's mail list:
